the humanity, value, and beauty of the preborn child in the eyes of the average Canadian woman?

2. **Responding to “Pro-choice” Dogma** – Draft a pro-life response to the saying: “My body, my choice.”
3. **Facing Discrimination** - *"Our lives begin to end the day we become silent about things that matter."* - Martin Luther King Jr. How can pro-life students promote truth about preborn children while at the same time preparing for, and responding to, discrimination for their pro-life views in an academic setting?
